

## Tracheal Cannulas

### Silver Cannulas with and without speech valve

#### Characteristics:

thin-walled  
antibacterial effect  
possible to sterilize  
long life-time  
conductor of heat  
heavy weight  
can't use by radiation therapy

#### Indication:

for tracheostomy patients  
for laryngectomie patients  
with speech valve only use by tracheostomy patients

#### Description:

Tracheal Cannula, sterling silver with 1 inner cannula  
Sizes 1-12

#### Size:

1 - 12

#### Unit (pcs.):

1

#### Ref.:

10000

#### Description:

Tracheal Cannula with speech valve, sterling silver

#### Size:

0 - 12

#### Unit (pcs.):

1

#### Ref.:

20000

### Tracheal Cannulas without cuff and no speech possibility

#### Characteristics:

Material: PVC, PU  
with or without inner cannula  
comfortable suit, low weight  
disposable article  
can use by radiation therapy

#### Indication:

for laryngectomy patients  
for tracheostomy patients without speech function

#### Description:

DURAVENT® Tracheal Cannula without an inner cannula

#### Size:

3 - 13

#### Unit (pcs.):

1

#### Ref.:

11000

#### Description:

DURAVENT® Uni Tracheal Cannula with two inner cannulas, one with 15mm – connector

#### Size:

3 - 13

#### Unit (pcs.):

1

#### Ref.:

11022

#### Description:

DURAVENT® Uni Tracheal Cannula with two inner cannulas, one with 15mm – connector  
XL - extra long

#### Size:

5 - 13

#### Unit (pcs.):

1

#### Ref.:

11222

Description:	Size:	Unit (pcs.):	Ref.:
Tracheotec®, Tracheal Cannula without Cuff	3 - 10	1	18560

Description:	Size:	Unit (pcs.):	Ref.:

Description:	Size:	Unit (pcs.):	Ref.:
SensoTrach® UNO, Tracheal Compress, slotted	9 x 9,8 cm	10	30521

Description:	Size:	Unit (pcs.):	Ref.:
SensoTrach® DUO, Tracheal Compress	9 x 9,8 cm	10	30608

Description:	Size:	Unit (pcs.):	Ref.:
SensoTrach® DUO, Tracheal Compress, slotted	9 x 9,8 cm	10	30609

Description:	Size:	Unit (pcs.):	Ref.:
SensoTrach® Alu DUO, Tracheal Compress, alu laminated	9 x 9,8 cm	10	30662

Description:	Size:	Unit (pcs.):	Ref.:
SensoTrach® Alu DUO, Tracheal Compress, slotted, alu laminated	9 x 9,8 cm	10	30663

Description:	Size:	Unit (pcs.):	Ref.:
SensoTrach® 3-Plus, Tracheal Compress	9 x 9,8 cm	10	30770

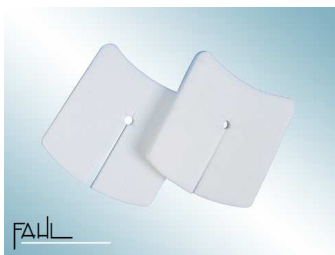

Description:	Size:	Unit (pcs.):	Ref.:
SensoTrach® 3-Plus, Tracheal Compress, slotted	9 x 9,8 cm	10	30780

Description:	Size:	Unit (pcs.):	Ref.:
Tracheal Compress, alu laminated	8 x 10 cm	10	30000

Description:	Size:	Unit (pcs.):	Ref.:
Tracheal Compress, slotted, alu laminated	8 x 10 cm	10	30030

Description:	Size:	Unit (pcs.):	Ref.:
Absorbellin® Tracheal Compress, foamed material, slotted, sterile		10	30850

Description:	Size:	Unit (pcs.):	Ref.:
Sensofoam® Tracheal Compress, foamed material, sterile	10 x 9 cm	10	30860

## Cannula Tube Holder

Description:	Size:	Unit (pcs.):	Ref.:
Optiflausch® Tube Holder with Velcro strap		1	32550

Description:	Size:	Unit (pcs.):	Ref.:
Optiflausch® Tube Holder with plastic hooks		1	32551

Description:	Size:	Unit (pcs.):	Ref.:
Optiflausch® Tube Holder, slim, white		1	32552

Description:	Size:	Unit (pcs.):	Ref.:
NECKFIX® Blau Tube Holder with Velcro strap		1	32610

Description:	Size:	Unit (pcs.):	Ref.:
NECKFIX® Tube Holder with Velcro strap		1	32620

Description:	Size:	Unit (pcs.):	Ref.:
NECKFIX® DUO Tube Holder with Velcro strap		1	32630

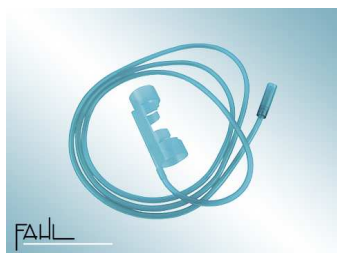

Description:	Size:	Unit (pcs.):	Ref.:
Suprafix® Tube Holder made of foam with Velcro strap		1	32500

## Heat and Moisture Exchanger (HME) for hospitals

Description:	Size:	Unit (pcs.):	Ref.:
HumidoFix®, Artificial Nose (HME)		30	46440

Description:	Size:	Unit (pcs.):	Ref.:
HumidoFix®, O <sup>2</sup> -adapter		10	46441

Description:	Size:	Unit (pcs.):	Ref.:
HumidoTrach®, Heat and Moisture Exchanger with oxygen port/Artificial Nose (HME)		30	46450-30

Description:	Size:	Unit (pcs.):	Ref.:
Humidual® Artificial Nose (HME)		50	46470

Description:	Size:	Unit (pcs.):	Ref.:
HumidoTwin® HME with overpressure valve		50	46460

#### Heat and Moisture Exchanger (HME) with speech valve

Description:	Size:	Unit (pcs.):	Ref.:
HumidoPhone® HME with speech valve		50	46480

Description:	Size:	Unit (pcs.):	Ref.:
HumidoPhone® Typ 15, speech valve with filter function and 15 mm adapter		50	46485

#### Heat and Moisture Exchanger (HME) for patients with voice prosthesis

Description:	Size:	Unit (pcs.):	Ref.:
Laryvox® HME Cartridge, Skin coloured		30	49800

Description:	Size:	Unit (pcs.):	Ref.:
Blom-Singer® HME Cartridge		30	44555

Description:	Size:	Unit (pcs.):	Ref.:
Blom-Singer® HME System 7-Day Trial Kit, including: 7 pcs. TruSeal® Contour Adhesive Housing, Standard and 7 pcs. Blom-Singer® HME System		1	44556

### Accessories and aids

Description:	Size:	Unit (pcs.):	Ref.:
Blom-Singer TruSeal® Contour Adhesive Housing, Round		30	44801

OPTIBRUSH® Cannula Cleaning Brush	4 - 14	10	31850

Description:	Size:	Unit (pcs.):	Ref.:
OPTIBRUSH® plus cannula cleaning brush, with fibre top	5 - 14	10	31855

Description:	Size:	Unit (pcs.):	Ref.:
Stoma cleaning wipe		50	33200

Description:	Size:	Unit (pcs.):	Ref.:
Stoma cleaning wipe in dispenser box		60	33260

Description:	Size:	Unit (pcs.):	Ref.:
OPTICLEAR® Plaster-Adhesive Remover		50	33500

Description:	Size:	Unit (pcs.):	Ref.:
OPTIGARD® Skin Guard		50	33600

## Inhalation

Description:	Size:	Unit (pcs.):	Ref.:
Nebufirst® Inhaler		1	50000

Description:	Size:	Unit (pcs.):	Ref.:
Nebuport® Inhaler, with battery operation		1	50100

Description:	Size:	Unit (pcs.):	Ref.:
Saluta®-Standard Inhaler		1	55000

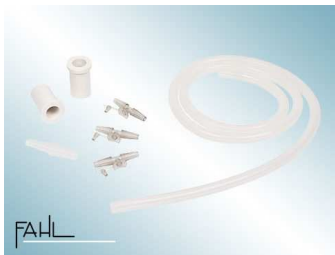

Description:	Size:	Unit (pcs.):	Ref.:
Tracheosonic Ultrasonic Nebulizer		1	53760

### Suction

Description:	Size:	Unit (pcs.):	Ref.:
Tracheolino® Suction Unit, suction power 16 liters		1	62000

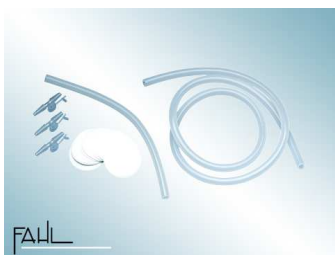

Description:	Size:	Unit (pcs.):	Ref.:
Tracheolino® - Tube and Filterset		1	60450

Description:	Size:	Unit (pcs.):	Ref.:
Tracheolino® - Bacteria Filter		10	62000-5

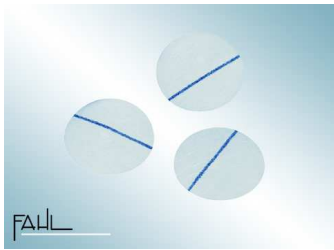

Description:	Size:	Unit (pcs.):	Ref.:
Tracheofirst® Suction Unit, suction power 26,5 liters		1	65000

Description:	Size:	Unit (pcs.):	Ref.:
Tracheofirst® - Tube and Filterset		1	60410

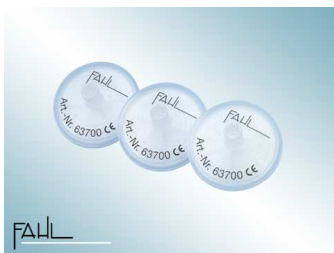

Description:	Size:	Unit (pcs.):	Ref.:
Tracheofirst® - Bacteria Filter		25	65800

Description:	Size:	Unit (pcs.):	Ref.:
Tracheoport® Mobile Suction Unit with rechargeable battery		1	63500

Description:	Size:	Unit (pcs.):	Ref.:
Tracheoport® - Tube and Filterset		1	60430

Description:	Size:	Unit (pcs.):	Ref.:
Tracheoport® - Bacteria Filter		10	63700

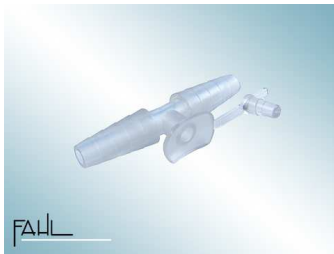

Description:	Size:	Unit (pcs.):	Ref.:
Tracheoport® - car charging cable		1	63510

Description:	Size:	Unit (pcs.):	Ref.:
Suctiontube for all suction units, length 1,30 m		20	60505

Description:	Size:	Unit (pcs.):	Ref.:
Fingertip		10	60700

Description:	Size:	Unit (pcs.):	Ref.:
Fingertip		100	60700-100

Description:	Size:	Unit (pcs.):	Ref.:
Stoma catheter, sterile, single-use, length 50 cm, atraumatic	CH 6 - 14	100	68000

Description:	Size:	Unit (pcs.):	Ref.:
Stoma catheter, sterile, single-use, length 25 cm, atraumatic	CH 8 - 16	200	68100

### Voice Box / Amplifier

Description:	Size:	Unit (pcs.):	Ref.:
Voicetec® Speech Amplifier		1	77350

Description:	Size:	Unit (pcs.):	Ref.:
Voice box SERVOX® digital, with battery charger LA 2.40 (230 V), 2 batteries, belt pouch, cord		1	70000-01

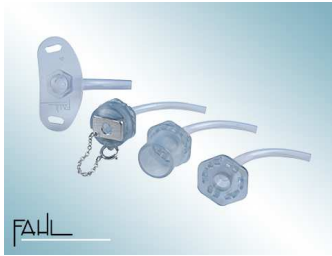

### Special Products for childrens and infants
